Dear Hiring Manager,

I am a 2022 B.Tech Computer Science undergrad. I am currently looking for entry level Software Engineer role.

I am a person with a multi-dimensional skillset. I am also an active participant of online coding competitions . I have a good grasp of core computer science concepts which help me in learning and understanding new tools and technology faster.

I have refined my strengths through learning and working in Web Development, Database Technology, Operating Systems.
The following is a snapshot of my broader technical skills:

- C++, C, NodeJS
- Scripting: Python, Bash
- VCS: Git
- Web Development: HTML(EJS), CSS, JS
- Database Programming: MySQL, MongoDB
- Agile Development Practices

Thank you for considering my candidacy for this position. I hope to hear from you soon to schedule an interview.

Sincerely,
Gaurav Joshi
